“ *To the Family:*

I'm so sorry to learn of Pat's passing...I just saw her in March at Meadowbrook for the play "Calendar Girls" - as we were leaving the theater, she was having some trouble breathing so I grabbed her arm and we put her in a chair and first pulled the chair down the hall then transferred her to a wheeled chair and an usher wheeled her to our waiting bus. I was so surprised that she was able to drive home when we arrived back in Livonia.

I've known Pat for over ten years when she joined our Red Hat group and dropped out about 2006. I have since seen her monthly at almost every travel meeting at our Livonia senior center. She was always very friendly and kind and will be missed terribly by her many friends. It was a pleasure to know her - Golden Girl Pat Knox (her Red Hat name).

“ Everyone who knew Pat will miss her infectious laughter and wonderful sense of humor. I knew her for many years - having worked together at Michigan Bell. We kept in touch with calls and cards even though we were many miles apart. She will be missed.

“ To the family ,
It is with great sadness that I send this message today. I have many good memories of Pat. We worked together At Michigan Bell for several years and even after we retired, going to the retiree luncheons in Ann Arbor and down river. She was a pleasure to work with, and a great friend. I feel so fortunate that she graced my life. May the Holy Spirit fall softly on you and comfort you as you struggle with the terrible pain of separation from your beloved Pat. We will all miss her, but for those of us who loved her, we know she will always live in our hearts

*Sincerely,
