“ *I worked with Patricia at the Plymouth bus yard. She was my driver for a school year. She was a very good driver and fun to work with. We always stayed good friends even if we didn't work together. She loved her family so much and told me stories about them. I know she is at peace now but will be missed so much. Prayers for the family. R. I. P. My friend*

“ *I have so many memories since she stayed with Brian, Nolan and I for several years. Everyone thought I was taking care of her. Truth be told she took care of me. In her eyes I could do no wrong. Not many people have someone in their life like that. She was truly a blessing, of course she could also drive us crazy, but she made us laugh, shared stories of family history, and loved helping all of us. Granny we will always love you and miss you 🥹*

Dearest Marie- So sorry about the loss of your Mom. I remember lots of times but particularly driving her from Michigan to Florida one winter to your house in the 1990s. I remember staying at the now B&B, Monroe House in Jonesville one snowy winter where she spent some of her childhood. May Patricia be eternally at peace. She was tall like me and she gave me some very nice clothes that I still wear. ♡ With great gratitude to have known her. May be in eternal peace. May you be comforted by the many memories you have of your mom. Sincerely,
Janet Wolfinger Rice
