*“ Patt will always be in my heart. She made me a better person by her wonderful example of hands-on kindness to others. Her faith in God was so strong that it inspired me. The picture here is of a beautiful lady and that she was... totally. Oh how I wish we could sit and visit and laugh together. I've added a few pictures of some of the great times we had. I love you cousin and my heart is aching. I'm so sorry you had to suffer these past few months. It was good to see you last October when we came to Michigan. Rest in Peace now. All my love, Marilyn*

“ *I remember you from the time I was a little girl and you lived across the street, when the boys lived with us after the fire, when you tried to help Mom out with Val to when I reconnected with you shortly before Mom's passing. Heaven has gained another angel. Watch over Mom, Dad and Val for me. You will be missed.*

“ Pat, you were always a mother figure in the neighborhood growing up. But I will never forget how at one of my lowest points as an adult, you took me in your home . Without hesitation or judgementt, you fed me and gave me a place to stay and treated me as family, even though there was clearly no room. What a beautiful soul. You will be missed.

“ Pat you will be missed. I remember child care sitting for the boys and jenny, so you and Andy could have fun nights out. You, Andy, Mom and Harry would go out for the evening. The fun times at the cottage, birthday parties. You and Mom and your friendship. Now you and Mom can have fun in heaven. I know she is happy to see you.  
Rest in peace.
