“ Hi Folks: Just wanted to send our condolences from Maple Manor Rehab staff and patients. The patients all bond with one another and after "Mumsie" Pat went to the hospital, several of them inquired of her health. We are most sorry to hear of your loss. She was truly a legend in her time. Pat had a kind heart and a gentle spirit. As Christmas approached Pat had begun to think about her family and what she would give. Gift cards for the adults. However, Pat had seen "Thomas the Train Railroad Set" and there was a grandchild she felt would love it. I believe it was a boy around 2 or 3 years old. If you all know which child that is, I think that would be a loving remembrance of "Mumsie" that your family could pass onto this child. Although, I am sure all of you are saddened by her loss, Pat's memories will live forever in your hearts and ours too. She loved her family and even with all she suffered was optimistic about life and the future.

“ We first met in the early 1950's through our husbands. who were both teachers in Livonia. We found we both had son's of the same age and began a friendship that lasted all these years. What a storyteller she was! She loved life and people, was generous, as well as forgiving in others for their differences. I will miss "Blanche" for she was my best friend. "Aunt Phil"
