“ *I was deeply saddened to hear of Pat's passing. I worked for Pat and Bob in the late 70's and early 80's. I remember Pat as a very caring person who treated me like I was family. We shared numerous fun moments and I thoroughly enjoyed my time at the company because of Pat and her family. My deepest sympathies to the Peterson family.*

“ *Mr. Pete, Paul, Bobby, Sue, Patrice and Pam,*

Elizabeth and I are so saddened by your loss. Mrs. P was one of the kindest, sweetest and most loving people I have ever had the pleasure of knowing. Some of my best memories still today are times spent at the Peteson home during those Catholic Central days. God has taken your angel to a better place but all of our memories will keep her with us for the remainig days we ourselves have on this earth before we join her in a better place.

Gob bless you Pat.

“ *Patricia was a beautiful woman inside and out. Her heart was extremely generous and she drew everyone into her circle of kindness and love. She was always quick with a kind word and a smile whenever you saw her. She was happy to share her joys in life with family and friends and hosted the very best parties. I admired her greatly and proud she was my cousin. Ed and I were so blessed to experience her love in our lives. Our prayers and sincerest sympathies to her sisters, Bob and her beautiful family. God will receive her with open arms. Diletta & Edward Wrona*

“ Over the past half a century, Pat Peterson has been a benevolent presence in my life. Growing up down the street from the Peterson family, and halfway to St. Mel's, their door was always open, their trampoline always accessible, their house abuzz with activity. And Pat presided over it all with a sense of calm and humor that belied the busyness of her own life. We were always welcome to wait inside the house. And she was never too busy to ask about my parents or my family. I know that she was a maternal figure for many others as well. She hosted a bridal shower for me 32 years ago, attended my wedding and 3 years ago, she attended my son's graduation party from the University of Michigan, hosted by my lifelong friend and her daughter Pam. Many of us were blessed to have Pat in our lives for so many years. And her legacy lives on in her children, grandchildren and great-grandson. My heart goes out to Bob and Pam and the rest of the Peterson clan. There is no doubt in my mind that Pat went straight to heaven. Eternal rest grant unto her O' Lord and let perpetual light shine upon her!

“ I will always remember Pat Peterson as the kind, great smile, laugh and calming force in the room. So many sweet memories of her up north and when we came to tour their new house. She loved her children but was particularly kind to their friends and then that kindness even extended further outside the family ring to the parents of her children's friends. She showed such kindness to my parents on several occasion. This was just a small demonstration of her wonderful upbeat way of embracing life. A big hole in everyone's heart by this loss, they needs to be filled by modeling Pat's approach to life. Loved her and love her family, Sue Sadler, Bloomfield, Mich.
