“ *Patty had a big personality, the smile to go with it, and a love for fun. I've known Patty since 7th grade, I member her an and my sister< Lisa doing silly pool routines while singing away, her playing her guitar at block parties, riding bikes uptown, Driving to High School, together, later barbeques with all our friends, Skiing, and more. Patty, Lisa and I were the 3 musketeers for over 25 years. I lost close contact when I moved away, although Patty and Lisa remained close, but the memories and the fun we had will always remain.*

She will be missed

“ Many long talks with lots of laughter are the memories i think of the most with Patty. She had a beautiful heart along with personality. She was one of the most welcoming & non judgmental women i've known. Throughout the years, i cannot even count the number of times our talks would end up easing my worries or anxieties. she seemed to have almost a gift with that sort of thing. She will be greatly missed by many. my thoughts & prayers will continue for Nick & the family💕

“ *As my mother you saw me through some of the most challenging times in my life. You remained a voice of reason and a beacon of hope in my times of need. As rolls changed later in life, my only hope is that I was there for you enough as I definitely tried to be. My mother, my friend, this loss hurts more than I could ever explain.*
