“ *I first met Pat about 28 years ago. Funny, kind, compassionate...I loved her immediately. And I knew I was loved back. She was generous to a fault. She spoiled my children. And she always laughed :)*
Four years ago when my circumstances changed our relationship did not. Pat was still my friend. I will forever be thankful for that. I cherish the memories of a wonderful woman.

“ I will miss you so much, Pat. The chats, the phone calls re concerns and esp the Tigers who were "Your Boys" when they were doing well and "My Boys" when they were not. So many things shared, dear Pat and how you will be missed by all your family and the rest of us! Virginia aka "Sis" In Your Memory, dear Pat ^j^ which fits you so well: "I have fought the good fight, I have finished the race, I have kept the faith." 2 Timothy 4:7 And for your Family: 'What we once enjoyed and deeply loved we can never lose, for all that we love deeply becomes a part of us.' `Helen Keller~

“ My Aunt Pat...EVERYBODY'S AUNT PAT!! That's how I see it through my eyes. Not only because she has so many nieces and nephews, great and great-great nieces and nephews but it's how she treated us all as individuals with such love, care and compassion! I will greatly miss her constant support but will always remember what a special family member that she has been!! Her two passions-her computer and the Tigers(her boys!). The emails have been silent. "Her Boys" have been silent as well, lately...but we can smile when we think of our Aunt Pat with our Lord!! Bet she's putting a good word in for the Tigers! Forever peace, Mikey

“ Aunt Pat - A sunbeam to warm you. A moonbeam to charm you. A sheltering angel, so nothing can harm you. You can have "your boys" back. Love you more.

“ Dear Aunt Pat, With all your abundant nieces and nephews, greats and great-greats, you loved us all from the moment we were born with your caring concern and unending selfless generosity. From childhood, calling to hear how we were doing if sick from school, to adulthood making sure we were home safely from the rain or snowstorm. I always felt the love from you that I miss so much so soon. Together now with all, Aunt Pat! I love you! Patter Lynn

“ I am mournful in viewing this obituary. Patricia was an acquaintance in addition to my late wife Florence for many years while residing at Central Parkway condominiums in addition to Maplehurst condominiums. She was a very kind, vibrant and sports minded individual with qualities one could not ignore as a friend. Now that her life has ended and all her worries laid aside, may she now rest in peace in the almighty Lord's arms.
