“ *Farewell Pat, and thank you for all the love and fun. We met as children, but joined souls on the Jon Otterbacher campaign. You were a great companion traveling the East Coast from Virginia Beach to New York City. Your charming smile placed us into third row seats for Bruce Springsteen. You helped me to venture out of my hometown and get started in East Lansing. I was 21 and had a friend who loved fun. What else could I ask for? Thank you to Annette for sharing your sister with me when I needed her most.*
