“ *My heart is saddened by this news even though it's late. Was just speaking with friends about the Kernen family. Some of my best stories and memories revolve around all you. May our Lord comfort each of you at this time. I believe Pat and Pop's are catching up on things. From my heart to yours..... Blaine*

“ *Pat was a good friend, hard worker and always had a upbeat and positive mental attitude. Pat always managed to put a smile on your face and had a deep concern for your personal well being. A class act and dear friend that will be missed! God bless you Pat!*

“ My heartfelt condolences go out to Barb, Julie, Brian and Gabriel and also to the rest of the Kern family and friends, Pat will be missed greatly by all! Pat was the first to welcome me into the Kern family and always made me feel loved and accepted and we had MANY laughs together over the years! Everyone will miss his smile and his laugh but we are so blessed to have our memories and to have had him in our life, even for a short while. RIP Pat...I love you!

“ Pat had a great zest for life and a great positive attitude. He and Barb were a great team, as is proven out by how great a daughter Julie is. My condolences and best wishes for the future of your family.
