“ Met Pat about 10 years ago. I thought, what a funny dude. Ironically I ended up at RJG in a course that he was teaching. Again I thought , what a smart dude. Pat was the voice of reason in a sea of chaos for me.
He affectionately called me Mr. Canada. That annoyed me at first but as I got to know Pat more I came to realize that sarcastic humour was his way of say “ you’re ok”. Absolutely loved that about him. I will think of him from time to time and I will remember the funny , smart friend from Michigan.
