“ *I always loved your dad as a family friend, growing up I had heard all about him and your family from my Grandfather, "Rembrandt" the painter. I know he is in a better place now. May you know is that he left a great league of men behind to carry on his legacy. I am sorry I did not hear of his passing until now.*

“ *It was sad to hear of Mr. Woody's passing. The Gillikin family will always remember the good times, the life and career of Patrick N. Woody. Mallory and Richard had wonderful memories with the Chairman.*

“ *Im truly sorry to hear about your lost. Patrick will definitely be missed by so many. One thing that helps me deal or cope with losing a loved one is the scripture John 5:28,29. It states, " Do not marvel at this, because the hour is coming in which all those in the memorial tombs will hear his voice and come out, those who did good things to a resurrection of life....." Soon we will be able to see Patrick again because God (Jehovah) promises a resurrection hope. I hope this gives some comfort.*

“ How very sad we were to hear of your Dad's passing. He was a pillar of our community, and some one I'll never forget. I have such fond memories of laughing with your Mom, taking little trips with her and eating her wonderful food! Pat always gave her the moral support to do what she wanted to do! He drove our daughter Krista to her wedding reception in his Rolls....and what a sight I'll never forget! You all will be in our hearts and thoughts this Christmas and beyond. Our sympathy to each of you, who meant so much to your Dad. Love from Rainy & Dick Kirchhoff

“ *To all the family; Patrick and Charlotte were wonderful neighbors and shared lots of fun times out on the town and at each others home celebrations. The best times were in our kitchen singing Frank Sinatra Christmas songs with all the neighbors, Patrick belting out the tunes...Many great memories and to date the best neighbors ever. We know Pat , Charlotte and Kurt our together and we wish the eternal peace and happiness !*

“ Some of my best memories growing up were of Thanksgiving at Uncle Pat's house. The kitchen filled with all of my aunts cooking and laughing, the smell of the that home cooking! I saw a VCR for the first time at one Thanksgiving where we watched Smokey and The Bandit. Uncle Pat loved that movie. We will miss Uncle Pat and take comfort in the amazing life he led and the numerous legacys Pat left us.

“ Personally, and from the entire Packer family, our deepest sympathy to the Woody family with your loss of your father. Pat and my dad, Mr. Freddie, were like brothers and shared too many memories to list at one time. Pat's generosity and his humor were his best qualities and will not be forgotten. I have one picture on my dresser with Pat and Freddie dressed alike in their wild attire during a Western Invitational which make John Daly's "Loud Mouth Clothes" look bland. Favorite memory is sharing a ride home in the jet from Florida with Pat after delivering mom and dad's car to them in Bradenton, just the opportunity and conversation were priceless.

“ *My sympathy to the entire Woody family. As the boys know, I was welcomed at the Woody home when the still growing family lived on Sheldon Road. Mr. Woody was always nice to me and treated me as part of the family. I will miss him. George*
