“ *What can we say about Paul? To me he was a friend you could always count on. Everyone has one or two people in their life that attain that special status. I still remember him walking into the cracker barrel and talking me into joining the jaycees. Turned out to be a decision that had major influence in my life. Especially the friends that were made. He was taken way to early .. still had one more joke to tell and one more round of golf! I salute you marine and you are relieved of duty my friend!*

“ *I am so sad to hear about Paul. Paul was a great advocate for the Great Lakes and conservation. I enjoyed my trips to DC with him for Great Lakes Days navigating around Capitol Hill when I worked for MUCC. He always could make me laugh. He truly cared about the work he did and it showed through his passion and dedication with MUCC. He will be missed! My thoughts and prayers are with his family and friends during this difficult time.*

“ Paul played on my dart team for a couple of seasons while we played out of the Bench Pub. He always had encouragement for us as players and people. Great guy, my life is better for having known him. Rest In Peace, sir.

“ It was a great privelge to learn from Paul during my early days at MUCC. I always appreciated his advice and his enthusiasm for taking care of the camp property and getting kids outdoors.

“ *Broken by his passing. I was taken under his heart held polish
wings throughout my younger years, and now as well. Words will
never describe the integrity of a man like Paul.*
