“ *To The Family I want to extend my condolences to all of You. Mr. Johnsons was an exceptional man. He dedicated his life helping others with their psychological issues and needs. As a Mental Health Professional he was willing to listen to others, and his good and timely counsel helped improve countless lives. Only mental health professionals and their loved ones know what a self-sacrificing, and unselfish job this is. Also, it is comforting to know that God is love. (1John 4:8), and that He is not unjust to overlook the endless hours that Mr. Johnson spent helping others. (Hebrew 6:10). God Promises a righteous and peaceful new world were many will be resurrected, and Jehovah God has given us this guarantee by resurrecting his only-begotten son-Jesus Christ.( Acts 17:31). I am hoping that these words were comforting to You. From Rose & Ricardo Please, feel free to email us at Bro.sisfromwarreneast@gmail.com*
