“ *Uncle Paul was always a delight to be around. He loved laughing, telling jokes (sometimes a little off color) ,loved the turkey neck to name a few things.He had a wonderful memory and always able to fill in the blanks of family history. He will be sorely missed by so many but so glad he did not have to linger and just barely exist.*

“ My favorite summer memories are of going to the Lindlbauer Cottage. Paul taught me how to fish and ride a mini bike.the Lindlbauer house was a second home to me as a child. So many memories climbing in the ford station wagon and just going for a ride or tobogganing or wherever the family was going and me just tagging along.  
RIP Paul, You were one of a kind
