“ I remember when Paul & I first met. We were in high school. I was going to class, he asked if he could take me there. I said yes. He took my books, I thought to myself what a gentleman. He then swept me off my feet & carried me up stairs to my class. I was so embarrassed. He was my high school sweet heart. We got married when we were very young & had a daughter (Tammy). Unfortunately our marriage didn't work, but years later we became good friends. We also share a granddaughter (Mazzy). He will be missed.
