“ *Donna,
Mike was such an inspiration to me over the years. His positive attitude and outlook were truly amazing considering all he endured. He continues to be an inspiration as I now too am a cancer survivor. My family and I have prayed for Paul for years and will continue to pray for you and your family; that you will receive God's peace and comfort. May God bless you.*

“ We are sending each of you our deepest sympathy at this very sad time in your lives.

Although Matthew is the family member we know the best, we feel that such an exceptional young man could only be raised by two extraordinary parents. What a wonderful reflection he is of the two of you. It is obvious that he has been given a gift that only comes from a loving home and loving parents.

At this time, as the structure of your family changes, we're sure that looking back you'll find that you have so many wonderful memories of Paul to cherish and looking forward his love and spirit will accompany each of you every day of your lives.

God Bless each and every one of you. With Love, Michael & Karen Pattock
