“ Paul was a great friend who always had a big smile and a right hand to welcome me. Paul introduced me to my first Harley, and I will always remember the time he delivered it to my house; I wanted to jump on it and ride by first bike. He would not let me enjoy my excitement until I put on the helmet and made sure I could handle the HOG. He was always thinking of others.

My condolences and prays to Lynn, Leigh, Samantha and all those who he touched and knew him. He will be missed by all.

“ Mary Lou and I are saddened by the passing of Paul. He was a great friend and we had lots of fun together at car shows and get together for breakfast/lunch/dinners. He had lots of friends and it was because of how he treated them. He loved his wife Lynn dearly! His eye sight was such a terrible issue. We are going to miss Paul very much but what we have is great memories! We love you Paul, rest in peace. Jim and Mary Lou Scriba.
