“ *I am a Minister of Jehovah's Witnesses my wife and I would like to give you and your family our deepest sympathy for the lost of your loved one. We would like to leave you with these words of encouragement from Gods word the Bible. At Job 14:14 it ask the question, "If a man dies, shall he live again?," The bible makes the promise: Your dead love ones will live...They will rise up. The bible also says, The righteous themselves will possess the earth and they will reside forever upon it. Isaiah 26:19;Psalms 37:29. May you find comfort in these scriptures and in the loving memories of your loved one. If you have any questions or concerns about the lost of your loved one feel free to email us at ctksdk@yahoo.com Sincerely, Carlos & Sandy*

“ *Kari, Tim & Family*
So sorry about your dad passing. He wanted to be with the love of his life! It'seems hard enough losing one parent so we can imagine how difficult this is for you. There is a sense of peace knowing they are together again & that's the way they wanted it. Your dad was a great guy who was always so caring and friendly. Thinking about all of you. See you Wednesday. Love, Pete, Marie and Family

“ Grandpa, Words cannot express the heartache I have felt the past week with the passing of Grandma and now you. I am glad that you are both together again and no longer suffering. I know that you are with Uncle Reid and watching over all of us, smiling and chuckling (I can still hear your laughing). I will always cherish the memories I have with you and Grandma and I will always feel your presence and remember how tightly our last hug was. I will miss you always but I know we will one day be together again. I love you Grandpa. Enjoy eternity with your Sweetheart and your son. Love, Your granddaughter, Jennifer To my family, both immediate and extended, My love, thoughts, and prayers, go out to each and everyone of you. We may all be saddened by their passing but know that they are no longer in pain and they are together again as they have always been. They love they shared was the truest of all love and we should be grateful that we not only were able to witness it between the two of them, but feel it through them. Their memory and love will live on through us. Jennifer
