“ *I just learned of Pete's passing, my deepest condolences to his family and friends. I had the great pleasure to work with Pete for a few years before Sunset ceased operations. He was an interesting guy. He was very much a family man, talked frequently about his wife and family and the cottage in Canada. He was a hard working guy, tough but fair and honest. The world needs more people like him. RIP*

“ *Dear Aunt Lorraine, and cousins Monique, John, and Caroline, please accept my deepest condolences for the loss of Peter, who I remember fondly as "Uncle Mike" from my childhood. I remember fondly his great kindness and warm hospitality when I and grand-mama would visit from Montreal during the 1970s. I hope you will find comfort in this difficult time knowing that Uncle Mike was a terrific role model to both his family and wider community.*
