“ Loved that man!! He was such a great person in every aspect. He was a great dad...just look at the great kids he raised!!! And he was cute and adorable as well!! He was always so inviting with his kindness. I'm sad that it has been many, many years since I've had the pleasure to visit Pete and Mary. I'm also sorry for his family, for such a great loss. But, he had a great run in life :-) That thought makes me happy and I hope that thought also puts a smile on each of the survivors, all of the family.

All the California relatives grieve for the passing of our dear Uncle Pete. Aunt Mary was my Dad's (John) twin sister. Pete was such a great guy and a good story teller. In August 2015 my brother, Vince, and Mom, Doris, and myself came out to Michigan and stayed with Uncle Pete and Aunt Mary. Uncle Pete cooked all the meals. He was still sharp as a whip and told stories just like he always did. Aunt Mary was able to join in our conversations as well as we were talking about "the old days" and her memory seemed quite good about most of the events. In fact, her memory was better than ours about those things. They were a good team and helped each other. He was getting feeble, and she was his arms and legs and would do what he asked her. We were so happy to get to see them one last time. What a good memory. He lived a long time for someone with heart trouble! Our prayers and good wishes are with the family. You can be very proud that he was so well thought of, and a great husband and Dad. What a great example to his family. Goodbye Uncle Pete. You will be missed.
