“ *We haven't seen each other in years but I still thought of you often. I will always cherish the memories of our friendship. I loved it when we would be in the garage to work on the Pontiac. I still laugh about the time you got us both a cigar and said we had to smoke them while working on the car. You smoked yours but let me just hold mine in my mouth without lighting it. We all had some great times together. I have missed you all of these years and regret not seeing you more often. I will always love and miss you my friend.*
