“ *I grew up with Pete in our old neighborhood in Dearborn Hgts so many years ago. We shared a lot of good times hanging out, riding our bikes everywhere, up to Military Inn on Telegraph on the weekend to watch for the drag race cars being towed out to Detroit Dragway. Listening to music in his basement , we discovered Yardbirds, Hendrix, the Who (we even made a guitar & amp out of cardboard to use while we mimed to the records). I always got a bellyful of good Polish baked goods from his family bakery, we stole our parents cars and ventured out on the road, dreaming of when we would be legal drivers & have a car of our own. Rest easy old friend. Chris Criner*
