“ There really are no words to make you come back, just a million memories to remember and laugh about. You were such a big part of my teenage life, always an adventure. My heart hurts for your family and your kids. Til we meet again my friend..you are gone but never forgotten xo RIP

“ For I was not close with Phil but know his brother Mike. It saddens me here about him passing. I know my friends have some fun memories growing up with Phil. Hope those memories bring a smile to your face. RIP Phil

“ We are so saddened to hear of Phil's passing. Our hearts are very heavy for you. We were Phil's neighbors on Parker. Phil was always so helpful to my elderly mother. He will be so deeply missed.

“ We have two ways of remembering people who leave us - we either cry over their absence or smile and remember them through the memories. I think that Phil would be trying to make us all smile during this difficult time. Our thoughts are with your family. Phil will always hold a special place in our hearts. Rest in peace Phil.
