“ Philip,
I remember when we were in the Youth Group at Bethel Missionary A/G. You were always a good friend and an awesome taxi (I didn't have a drivers license, LOL). I remember going over to your house after church and playing with Sergeant. Although life separated us, your memories will be with me forever. I'm sorry I couldn't be there when you needed me. May you have eternal peace and may God bless and prosper your Family. I'm glad that I had the chance to call you friend.

“ Just thinking of my best friend when I lived across the street in Plymouth. Today, May 27 would have been another birthday. it makes me think of the McDonald's birthday parties we all went together to as kids.

“ I just now found out youre gone. You said your sister would get ahold of me if anything happened and we both laughted knowing she wouldnt. I love you my Eddie and and will cherrish our memories, like you picking me up & spinning me around at Mc Donalds while Katie & Dee Dee laughted at us. I still have your ring and will carry it & you with me ALWAYS. Love, Lee

“ Philip it was an honor to have know you as a small preschool child whom I was gifted to take care of you. Your were truly a very special young person and as an adult your beauty grew with you in all ways. Thank you again for that Christmas visit years ago. You have been in my thoughts throughout the years and will continue to be in my memories. Thank you again for being so special Philip.
