“ My cousin Phil, we shared so many great times together, I can't count the number of golf courses we played both here in Michigan and in Arizona , the memories keep playing in my head , and I hope they continue , great cousin ,great friend, I will miss you dearly but I take peace knowing you are in a greater place , broke my heart to see you struggle with this terrible disease, God bless you , enjoy the reunion with your loved ones up above , can't wait to play the courses you experience in heaven, with you, just remember to watch the cuss words when you hit one in the woods, 🤔, love ya Cousin🙏❤️

“ Chris, I'm so sorry to hear this! He was a great guy! Always came to watch us play. No words for your loss! Be kind and gentle to yourself! When someone leaves this world it creates a void where they once were. Every day is hard without them! Those we love don't go away, they walk beside us every day...unseen, unheard, but always near, still loved, still missed and very dear. When we lose someone we love, we must learn not to live without them, but to live with the love they left behind. We honor those that have gone before us, we keep their memory alive through our stories and love. Close your eyes and smile. I'll be smiling with you. Keep the best memories closest! My sincere condolences, Chris!

“ Phil was a one of kind great guy. Always there to help others and loved his wife and family immensely. I had the great pleasure of riding motorcycles with Phil with the American Legion Riders of Post 32 in Livonia. I recently ran into Phil and Christine when we were both going for physical therapy. He remembered me! That really warmed my heart! He will be deeply missed. My thoughts and prayers go out to the family at this most difficult time.
