“ *Boy, You are still very much missed.. Stepanie each week tells me how very much she misses her ganny.... And there isn't a day that goes by that I don't think of what you might think of something or what you would do... My heart hurts that your not here to go to when I need to ask about something... Your so very much missed and Loved...*

“ *Mom, you are so very much missed. It hurts that your not here to watch your grandkids that ment so much to you grown. But it comforts us to know that you are with god and that you are no longer suffering. We all love you and miss you.*

Doris, Jim & girls - December 12, 2014 at 10:26 AM

“ *I am comforted in my future reunion with Aunt Phyllis. As my daughter so lovingly put it..."she has met Jesus, you know REALLY met him, touched him, hugged him"! What a wonderful testimony. Her cards will be dearly missed. She always put others first and never hesitated to give...and give.*

“ *Never Ending Love*

*She gave us hugs and kisses
each time we came around.*

*Paper dolls and songs to sing,
never with a frown.*

No matter how we played.

No matter how we fought.

*she just put her arms around us,
and loved us a whole lot.*

*I'll never forget her lovely voice,
or the way she shakes her head.*

*How she told us stories
and sent us off to bed.*

*Christmas trees and manger scenes
is her favorite time of year.*

*Her Santa Clause's dance around,
and sing her songs of cheer.*

*She loves it when the family comes,
it fills her with delight.*

*She loves us all the same,
even when we're not in sight.*

*So, if you have trouble remembering
all the little things, just remember
how she loves us, and how she loves her King.*

“ Aunt Phyllis was a very thoughtful person. She remembered birthdays and holidays by sending cards. I remember the nights that we would get together to play pinhole at mom and dads. Aunt Phyllis is probably already engaged in cards with my mom and dad. My condolences to the whole family during this difficult time. My prayers are with you.

“ Phyllis will always hold a special place in my heart. From years ago the sleep over we had and her house and the silly things she let us do. To resent years all the cards for not only me but for my whole family. She will truely be missed by all. My thoughts and prayers are with the whole family during this difficult time. “ Aunt Phyllis will always hold a special place in my heart. She was the most caring and giving person I have ever met. She's also the only person I know that has never forgotten a birthday card..or a Christmas card. I'll always remember the fridge full of magnets! I love you Aunt Phyllis. I'll see you again someday. You'll be missed. <3 Your Great Niece,

“ Our relationship with Phyllis meant a lot to us. Even though we were far away, she always made us feel special. The cards, letters, and talks on the phone reminded everyone that she was thinking of us. How lucky we were. When we think of her it will be with smiles, not tears.

“ I will miss Aunt Phyl so much. She truly did have a heart of gold. She always remembered my entire family - even her great-niece and great-nephews! I was lucky enough to have her spend a vacation with me & my family in Colorado. I still remember her from my youthful days - going to Aunt Phyl for candy. And of course, all the cool clothes she made for my sister & I. Rest peaceful in heaven, my dear Aunt Phyllis!
