“ *Offering deepest sympathy to each family member in the loss of your Mother and Grandmother. I have very fond memories of time spent around the table after Sunday church together. Your Mom made the best meals and always made me feel like one of the family. I know she loved all of you so much. No one is ever ready to say goodbye, but glad we can look forward to a grand family reunion one day. Love to each of you.*

*My mom was a very loving and caring person and enjoyed doing things for others. She was a strong lady and worked hard at home and outside of the home as I can remember when I was little helped out to make ends meet. I felt more free and more myself when I was with my mom. I love her and miss her very much! She's with Jesus now in a wonderful place.*
