“ *Meeting Quentin for the first time I found I quickly liked him. How warm he was with a big smile. Thinking “This is the guy my son is going to live with for the next year at GVSU” and I was thankful. Lucas and Quinn became best friends immediately. Every story Lucas told had Q’s name in it. Quentin’s name will continually be on our lips sharing memories and making his name count for the joy he brought. He has changed not only Lucas’ life but our families. We will always celebrate his lasting life.*
