“ I'm so sorry to hear about Queenie, especially at this time while you are still recovering from the loss of John. Your family is in my prayers. I won't be able to make it to the funeral home. My husband just got out of the hospital last night and he's running a fever so I'm not leaving him alone right now. Loraine Connelly Gene Pulice's daughter

“ I would like to say to Tina's family that I am very sorry for your loss. You don't know me, but your mother was a very dear friend of my mother's, Jennie Stefanko. I lost my mother in December of 2000, and through a snow storm Tina was there to pay her respect. My sister, Judie and I have often wondered whatever happened to Tina. We had no contact number. We know now that they are probably together in heaven, going to breakfast and catching up on the years that have passed. She was a very lovely lady. Rest in peace, Tina. Debbie Stefanko Bolley
