“ *Ralph...thinking of you today and everyday wishing you were still here. Love, Jen xoxo*

*You never said I'm leaving, you never said goodbye.
You were gone before I knew it, and only God knew why.
A million times I needed you, a million times I cried.
If love alone could have saved you, you never would have died.
In life I loved you dearly, in death I love you still;
In my heart you hold a place, that no one could ever fill.
It broke my heart to lose you, but you didn't go alone.
For part of me went with you, the day God took you home.*

Jen and Ralph

Thank you for the time we spent together over the last three years as a couple and friends as well. It didn't matter what we did, whether it was working out, watching a movie, sitting outside on your patio talking for hours, going for a walk, going to a concert...I always loved it and those moments will never be forgotten. You were always very kind to my family and opened up your heart and home to them. You were so excited when my grandson (Gavin) was born last year and it was so nice to see the excitement that you had for him. You always made an effort to see him and you loved it when I would send you pictures of him. I will always remember how much you cared and loved me and my family. You will always hold a special place in my heart. I will love and miss you always.
