“ I was very sorry to hear of Ralph's passing. We grew up as kids in the same neighborhood and went fishing many times together. Although time separated us over the years, he was always in my thoughts and memories. Warren

“ I remember Ralph well when we were both students at Wilbur Wright HS a trade school in Detroit. He was studying in the electrical field. He was one of those happy kids that everyone liked and always seemed to know the latest joke. Don't ever remember anyone calling him by his first name, he was always "Tonak" to us. After graduation in 1957 we all went our separate ways. I do remember that 1951 Ford convertible he had. Will note sadly his passing to the Wilbur Wright 1957 class group.

“ When we moved in next door 4 years ago Ralph was the first one to come over and say hello! Always the gentleman with a kind word and cheese for the dogs. We will miss him very much. God bless him and his family.
