“ Randy was a great guy. Had some great fun with Randy at camp. Wonderful talks about the old neighborhood at those campfires. We cannot believe he is gone soon. We have been ill so we won't be able to spread the wealth at the viewing but the family and friends he made through the years will all be in our thoughts and prayers through this sad time. Randy, may you rest in peace. Wyatt and Terry David

“ When you work together for 20 years, and share lunch break booths, side by side, daily, your not co-workers, you are friends. I will miss how he laughed at EVERYTHING, lol and our talks about camping, and his excited and detailed plans of the road trips across the country to see baseball games with his twin brother each year, and his advice about my retirement pension planning lol, and the good discounts and sales he would get and share with me so I could get a good deal too lol, and how he always found the stupid labels stuck to the sole of my shoes and would stoop down to take them off for me! Lol also, I think the porters will miss his help in cleaning up the building each day, am I right, fellow UPSers? Lol :-)
I really, sincerely, liked this friend of mine, you'll be missed, "Randy, the candy man"!(Did I mention, he'd always carry a bag of chocolate, that me and Loretta and Ruby could get a pick me up whenever the sleep was creeping in and we just didn't think we could go on? :-)) I think I will eat chocolate, in honor of my friend today!

“ Uncle Randy was a **WONDERFUL** uncle not only to me but to my children as well. From my earliest memory of him of when I was a tiny tot of taking me ice skating at Fairlane Mall, to many movies at the same mall (Kramer vs Kramer was very 1st movie i remember him taking me to) he was **ALWAYS GREAT** with kids. Another fond memory was of a birthday gathering of mine when I was like 5 or 6 at Farrell's Ice Cream and he even took part in putting a birthday hat on his head as well. I miss our yearly Wiffle Ball games at Portage Lake when the whole family would be out there camping. There are so many things I will miss of my Uncle Randy such as his great sense of humor, his wisdom and so much more. Thank you Uncle Randy for always being such a wonderful Uncle to me and my kids. Until we meet again in my heart you will remain with the most cherished memories.

“ *Many memories from living next door while he and the family grew up. Mark always calling either twin he saw 'Rondy' because he couldn't tell them apart. In the later years, talking about where we were and what we were doing while taking time out from cutting the grass or whatever else we were doing. Randy was always ready with a smile. R.I.P.*

“ *I am so sorry to hear of Randys passing. Prayers for him and the family. Enjoyed playing softball and bowling with him. And, of course coaching him in Little League at STA. We won championships in all of them. Deepest condolences to all of the Zakalowski family.*

Randy, being a big part of my growing up years and all the neighborhood games that we all played. Then when I'd come home for visits all us from the old neighborhood would gather and shoot the breeze and tell old stories. Randy, you will be greatly missed and my heart is broken.
