“ *Randy was definitely a force of life. He had a big personality and a wonderful laugh and the best sense of humor. He loved making everyone laugh and laughing with them. He loved poking fun at me and me the same with him. I have alot of good memories of him playing with my girls when they were toddlers, they all loved playing with Uncle Randy, and he loved taking their pacifiers and throwing them away when I wasn't looking! I think he did it mostly to aggravate me cause that's one thing that he loved doing, and it was all in fun. He always loved having a good time. You are definitely gonna be missed by many people. I know how much you loved my sister, so I hope find her and give her one of your great big hugs, and do the same for me.*
