“ Im truly sorry to hear about your lost. Randy will definitely be missed by so many. One thing that helps me deal or cope with losing a loved one is the scripture John 5:28,29. It states, " Do not marvel at this, because the hour is coming in which all those in the memorial tombs will hear his voice and come out, those who did good things to a resurrection of life....." Soon we will be able to see Randy again because God (Jehovah) promises a resurrection hope. I hope this gives some comfort.

“ What a great person.....he was also a great coach, knowing how to get the most out of every kid on his roster. His class was second to none and that translated to the way he raised his two sons. He ranks as one of the very best coaches ever in WYAA history because he knew how to coach every kid on his roster and taught the fundamentals which ultimately led to his success with all his teams. Thank you, Lord, for giving us Randy and helping make us better persons for having known him. And in addition, he was a great Chippewa. As they say in the words of that great fight song.....Forward down the field....Randy, upward you go to sit at the right hand of God teaching him the fundamentals that you taught us so well. God Bless You!
