“ I have known Ray since I was 13 years young. At that time in my youth, I was one untamed, wild child! Ray did not care that I was 5" taller and 40 pounds heavier than him. He would tell me that "I'll whup your ass way better than your daddy would"! Let an indelible impression on me. I never back talked him again. Ray , you will be missed. I'm sure your in heaven talking up Jim Morrison, Jimi Hendrix, John Bonham, etc. RIP my friend.

“ Sorry to hear of Ray Douglas's passing, we hadn't seen each other for years ever since we were in our teens when we visited Uncle Ray, Aunt Orene, and Kay Francis. Our sympathies are with his family at this time and I pray that the great memories never fade. The Glenn Winningham and Duane Winningham families in Tennessee.

“ *He was one of the sweetest people I know. Always a hug and smile when he greeted me. The first time I seen him after he retired I didn't recognize him until I saw that smile and than the hug. He will be missed by many.*
