

## Raymond Adamski

May 15, 1939 - May 29, 2022

Adamski, Raymond, May 29, 2022 age 83 of Plymouth. Beloved husband of Nancy for 52 years.

Loving father of Raymond (Kristin) and Carl (Claudia). Proud grandfather of Evan, Brendan, Carter & Cameron. Dear brother of Phil Adamski of Arizona.

Raymond Adamski had a full life. He grew up with three brothers in Manitou Beach, MI, proudly served in the Marine Corp, and studied hard to become a mechanical engineer, leading to a long career in the automotive industry.

Along the way he was blessed to meet his love and wife, Nancy, then have a family of his own with two boys and now four grandsons. Through his life Ray developed a love for classical music, he was a reader, a wood worker even figure skater for a while and uniquely, he had his pipe. He was an avid sailor and model builder since youth, with a particular passion for sailing ships, and airplanes. Along with his family, there were many weekends on Lake St. Clair with his boat Morningstar and many more keeping her in tip top shape, with the shiniest mast in the marina. He enjoyed his time in Arizona and the mountains, was always busy working on something there, but always took the chance to see his brother. He taught his sons they could fix anything and was proud of his boys. Ray... Husband, father and grandfather, brother and son was loved dearly and will be sorely missed. Have a good sail dad...
