“ *Aunt Lois, Dennis, and the rest of the Finney Family, Matthew 5:4 - Blessed [are] they that mourn: for they shall be comforted. We wish we lived closer so we could share our condolences personally. There are so many great memories of Uncle Ray at family reunions and holidays and our lives are better because of them. He and Michael are probably already on their second plate from the Anchor Inn! Our love and prayers are with you. Jeff and Debby Kelly*

“ *This is especially for my Aunt Lois. I know that you grieve the loss of Uncle Ray, he was a good man with a great sense of humor. He always made me laugh and would talk in that silly voice that he would suddenly acquire when he wanted to be even sillier. I remember weddings and his calling square dances at them...I just couldn't wait for weddings back then, I knew they would always be fun and we'd all get to dance and laugh. He was very hard working and set a very good example for all of us and he loved you and his family very much and everybody will miss him. I do think that Michael and he are enjoying a true father son hug right now though and maybe sideline seats at a great upcoming football game...it is a wonderful thing to have him as part of my life and memories.*
