“ *Melinda, Collette (Mark), Dennis (Rica), and Nicole: Although Rene and I never met when he was still walking on the surface of our planet, we had something in common: We both worked and retired at Chrysler Motors. I believed he was working as a Facilitis Engineer in Mound Rd, and I as a Product Engineer at the Chrysler World Headquarters in Auburn Hills. I will be at the church this morning to sing Vaya Con Dios to Rene.*

“ *Melinda, Collette, Denis, and Nicole: It is my deepest sympathy that Rene has now joined the kingdom of our Lord Jesus Christ for eternal life. We never crossed path during his journey in life but I learned that he was a very compassionate and caring person sharing his blessings to the less fortunate children in the Philippines by establishing a foundation to support scholarships and material support to those in dire needs. Those children he help will forever remember him for he made an impact in their lives. He was a great husband, a father, a grandfather. I pray for his soul and may now Rest In Peace. ben\_manzano@hotmail.com*
