“ *Renee was a great person and teacher. We were lucky enough to work with her at St. Marys of Redford School. Angels are now the lucky ones. Peace to her brother and friends.*

“ *Gary, I am so sorry to hear of your loss. I just found out yesterday of the loss of your mom and now the untimely death of Renea. I am still in shock at the news. I was the secretary at St. Mary's when Renea taught there. She was one of the kindest, sweetest people with a heart of gold, that one could ever meet. I thank God I had the opportunity to know her even though it was only for a few years. She will remain in my thoughts and prayers for a long time to come. Sincerely,
Veronica Wilkins*
