“ *As neighbors we will miss Rich deeply. His huge smile and hearty laughter was always welcomed as we turned in or out of the subdivision. He never missed an opportunity to speak with us as we were coming and going. He was our friendly gate keeper in and out of the sub. Rich is remembered as a wonderful neighbor and friend. “ *I couldn't have been more blessed with the best uncle. His smile, his laugh, his way of making the room question everything when he cracked a joke will be missed so much. He taught me to always find the good in people, and to stand my ground always. He's been by my side since day 1 and I'll forever cherish every memory we've made. I hope you're drinking natural lights with tomato juice with grandpa right now. I love you so much. Thank you for everything Uncle Rich.*

“ *Mr. D -*

From cheering at Richard and my baseball and basketball games to moving us into and visiting us at CMU to celebrating side by side at weddings, I'll always remember your smile and humor - always with jokes that would make Mrs. D roll her eyes, your kind words and support, and forever your laugh that could fill a room. You always were there to support us and a true role model of what a good man should be.

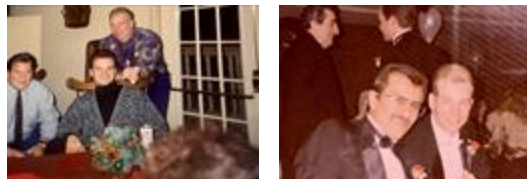

Richard, Natalie, Mrs D - I'm always grateful to have a second family like you and know that Mr D is so happy to have seen his family grow w EB, Rory and all the grandkids.

*Love you all and sending our deepest condolences

“ Rich I love you! You’ve been a friend and my BIL for 30+ years and during those years you’ve done so much that you’ll never know the impact you left on of all of us. We will miss you dearly. You lit up the room when you entered it! I hope that that I’m fortunate enough to make it where you are where we can be together and enjoy eternity together.

“ So hard to believe he is gone. I’ll miss his voice booming out with a hi and a wave. Rich has been so good to us over the years, always lending a hand when I was stuck with something, always including Dan and Mark in Richard and Natalie’s activities. Rich was definitely one of the good ones! My sincere condolences to the DeMeyere family

they walk beside us every day.
Unseen, unheard,
but always near,
so loved, so missed,
so very dear."*
