“ Uncle Rick, I will miss you so much. I remember being in your wedding and how special that made me feel as a kid. I remember listening to all your cool record albums on giant headphones as you played Euchre with my Mom and Dad. I love that our daughters got to know you, too. We loved when you would drop by unannounced just to say Hi. I'm glad we had the privilege of knowing you. You were always so kind, never judgmental and always made me laugh. We will miss you so much.
