“ *My granddaughter, Jordan, and I met Rick last year at the Ray Reunion. I had a chance to visit with Rick over the short time we were there. Instantly I knew he had a great sense of humor and was a wonderful man and a great father and husband. He made a great impression on my granddaughter; picking on her and playing in the hotel pool. She would jump off his shoulders over and over. We will never forget him and share in the grief of his loss. Terri and Kaitlyn y'all are in our thoughts and prayers and I'm here for you if you need anything during this sad time. Love, Marquette*

“ *Terri & Kaitlyn, we remeber when your family moved on Berkley Street. Aso Ricks family. I knew so little of Ricks mom but she would say hello when we saw her. We remeber all the good times you and Rick brought to our block when the two of you became a couple and then when Kaitlyn came to your family. Rick knew how to make shoving snow or any job he could help you with be fun and would pitch right in and help. He always had a "Hello" and a smile for everyone. We remeber the block parties, he was always there and enjoying every minute, and know how to make good times for everyone. We will be here for you and Kaithyn anytime your need us day or night. Feel free to call. We now have lost our arlam clock, now that the the deisel truck has not been starting in the morning. And one heck of a good guy. We have lots of good memories.*

“ It was such a shock to hear about Rick's horrible tragedy. I have such fond memories of visiting the old family home on Ann Arbor trail. Rick, Robert, and my brother Gary would always be up to something or another. When Gary died, Rick was kind enough to take a video of the funeral to record it for Gary's daughter who was unable to attend. We were so thankful for this, and Rebecca was too.

*My heart goes out to the whole family,
Sincerely, Cousin Laura*

“ Terri and Kaitlyn,

We are so shocked and saddened by the sudden, senseless, tragic loss of Rick. He had the best sense of humor and ?got? our goofy Ray humor so we took to him right from the start. Never standoffish, willing to jump right in and be part of the family. We had so much fun with him last year at the Ray family reunion. He was a wonderful addition to our family and will be truly missed. Terri and Kaitlyn, we love you and are here for you and will help you through this time of sorrow any way we can.

*Love,

“ We met Terri and Rick for the first time last year in Johnston City, IL at the Ray reunion. We loved them from the very start as our new friends. Terri surprised Rick with a birthday cake for his 50th birthday. Rick was so surprised, more so when he couldn't blow out the trick candles on the cake. Terri, and family, we love you and your all in our thoughts and prayers.

“ Rick was in my senior class in High School. Although we have not seen each other in many years - it still saddens me to know that he is gone. He will be missed but never forgotten.

“ Rick, Terri and Kaitlyn live across the street from my very good friends, and I have known Terri's family since elementary school. Whenever I'd see Rick upon leaving my friends' house, he always waved. I frequently ran into him at various stores in town, and he always had a warm smile and a friendly word. My most sincere and heartfelt sympathies go out to Terri and Kaitlyn and the rest of their family, and to Rick's family.

“ Rick was a wonderful family friend and Brother-in-law. We enjoyed the many years of knowing him and having him as part of our family. He was a wonderful uncle to our daughter, Chelsea. We will never forget him and share in the grief of his loss tremendously. Special love and comfort to Terri and Kaitlyn.
