“ *I'm identifying very strongly with you Danny. My dad was the exact same age when I lost him ten years ago. It's very hard to lose a parent just at a point in our own lives when we really recognize what treasures they are.*

My heartfelt sympathies to you at this time. I'm looking forward to hearing more about your father and his life next time we talk. Take care until we see you back at work. Make sure you take the all the time you need.
