Mandi, just saw all these comments. Your dad's obituary came up when I was searching for something else. He died from COPD and Emphysema from smoking. Five years later and I still miss him terribly. Always will. Can't wait to be reunited with him in heaven.

“ You will be so missed Richard. Get us a spot next to so we an camp together again & sit around the campfire & hear your jokes. The boys favorite is the leprechan. Maybe even a 321 fly. Breakfast omelettes & burritos too. You will always be in our hearts & minds. Never forgotten. Love you Richard

“ You are one of my angels now, my love. I miss you, and I will always love you. Find us a good camping spot and a good fishing hole, wouldja? I'll be ready for Bailey's and coffee by the campfire, while we've got our lines in the water. You will always be my pure raw hunk of sexy manhood.
