“ *I'm a former customer of Richie and most recently reached out to connect with him for a new job. I am devastated to learn of his passing and want to take a moment to send condolences to the family and children. Your father was an extraordinary man, professional, and talented painter. We'll always remember his big smile, reliability, and second to none work ethic. Richie, thank you for 10+ years of excellent service. May God bless your soul.*
