“ *I only knew Richard for a short time since my mother has been at Tawas Village since September but it only took one meeting to love the man. I would take my little dog, Sparky to visit my mom and Richard always had to hold him and squeeze him. We took my mother out for Easter yesterday and when I took her back we had Sparky and my mother couldn't wait to take him to see Richard. She worried about him so. She asked one of the employees what room he was in and if we could take Sparky to see him. It was very upsetting to both of us to hear that he had passed. Thank you for your service and may you rest in peace, my friend !*
