“ *I know he's smiling down on all of us whose lives he touched. He certainly touched mine and our family's and I'll remember him always. He and I always had that competitive thing going on and we had a blast trying to beat each other be it ping pong, cards, pool and wit (his talent here was like no other!). Rest in peace Uncle and Godfather, Kevin and family*

“ *We will miss Rich. He was a great Brother in law. We sat and had breakfast one day and talked for about an hour and a half about life, family and grandkids. I will never forget that, a great moment. I was so happy to have spent a week with him before this happen. I remember taking a picture of him in the Hospital and he made a funny face and I showed it to him and he thought that was so funny. He really loved his wife, kids and his grand daughter. We will miss Rich. He will be in our hearts forever. Rip Rich your in Gods hands now.*

“ To the Family, I am so sorry for your loss. In the family’s time of mourning I hope you will take comfort in that Jehovah God has made a wonderful promise for a resurrection into his Kingdom that is recorded at Revelation 21:3, “ And I saw a new heaven and a new earth; for the former heaven and the former earth had passed away, ...With that I heard a loud voice from the throne say: “Look! The tent of God is with mankind, and he will reside with them, and they will be his peoples. And God himself will be with them. And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away.” Your family will be in my prayers, my sincere condolences.

“ Sadie, I can't imagine the sorrow and pain you are going through, if it's anything like what we went through when our 18 year old granddaughter passed away on Jan 20th the emptiness still hurts. We will always miss her and we still cry when we look at her picture. My sister Maureen or I will get hold of our dad and let him know about the passing of Richard. Take care and I will call you later when things settle down for you. Peterboy!
