“ *I am so sorry for hearing that Mr. Lake passed away. This was a good man a man who cared about people. Me and my wife was talking among ourselves about Mr. Lake. We both chose to say that he was our favorite. We both told each other about our interactions with Mr.Lake they were meaningful and something that we will never forget. One of a kind person. He had a great personality and will never be forgotten. The doors of heaven opened up for Richard Lake, may he never be forgotten and may God walk in heaven with him, while the angels sing his favorite song. Mr. Lake I will never forget you and I thank you for all your help during my time as a state employee. I will always love you and miss you because you were a special person and I was glad to have known you.*

“ Richard Lake was one of the longest and dearest friends that I had in the Plymouth Kiwanis. On one occasion years ago while working on a Kiwanis service project together, I remember fondly how proud he was to introduce his grandson Christopher; Richard 'beamed'. He will be missed by all of us. Sincere regards, Jim Moylan

“ Marg and I valued Dick and Betty Lou not only as dedicated Kiwanians but as friends with whom we spent many a pleasant time. Dick could be depended upon to take charge of a project and see it through to a successful conclusion. We have moved from Plymouth to our Chelsea retirement home but Dick and Betty Lou are two reasons why we fondly remember our former home town. We know his family will miss Dick but they are blessed with the knowledge that he lived a life of service of which they can be justly proud.

“ My favorite couple on Friday mornings at Formula Salon. I would sit and have my coffee with him most Fridays. He was a wealth of knowledge and boy the stories he could tell. Not to mention the jokes! He always had me giggling at his German and French he would speak to make me laugh! I am sad to think about not seeing him on Fridays with Betty. The salon loves you both dearly.

“ Dick and Betty have been family friends for as long as I can remember, actually more like family. I am 63 yrs young and can honestly not remember a time when they were not a part of our lives. Years passed at times between visits but during times that really counted such as our wedding, when our first son was born Uncle Dick and Aunt Betty were always there. The last time I saw the girls was at our house in Farmington, and they were as pretty as a picture. We will never forget you and your positive words of encouragement. If there is anything We can do to help, please let us know. Our hearts are heavy with the loss of a fine man, Uncle Dick. Aunt Betty we love you.

With deepest sympathy,

Rick and Juanita Miller
