“ Dear Doug and your whole family,

My deepest condolences to you, your mother and your family! I know this is hard for you as a son. I know because I recall the death of my own father who died when I was 19 years old. I am praying that the Lord will minister his grace and peace to you during this process of grief. I also know this is hard for you because of your deep connection and close working relationship with your father.

I pay tribute to Dick's service to our country, his faith in God and I deeply appreciated his service to me as a client for many years since the early 80's, and after his retirement, through you as well.

In Christ's Hope,

Jim Keller (for Brenda too)

“ We are so sorry to lose a wonderful neighbor. Mr. Lax leaves us with warm memories. He and his wife always waved and smiled to us and was the first to welcome us to Plymouth when we moved here. He will be missed. We offer our sincerest sympathies and condolences to his wonderful wife and children and Charlie.
