“ *Wolf was my riding buddy & one of the 3 Amigos for 11 years. He was a true & caring friend & my best friend, he was the glue of our group. When he asked how you were he was truly interested & always wanted to help if you had a problem. I have many Great memories of our travels & friendship. Barb & I miss him but will always remember our friend.*

“ *My condolences to the Nobert family. Ecclesiastes 9:11 says; unforeseen occurrence befall us all. But even though we die, God can bring us back, for he promised, all ones in his memory will be brought back to life. So yes, your loved one can be brought back. I hope you find comfort from these facts.*
